

**Vertical Dial**

**Polar Dial**

**Horizontal Dial**

**British Sundial Society  
Educational MultiDial**

*Designed by Tony Moss, B.Sc. D.L.C.*

**To obtain clock time add one hour to the dial reading during Daylight Saving**

*This sundial will work anywhere in the UK between 50° and 58° north.  
Trim the sloped base lines to the desired latitude before assembly*
